

Ascribe Services

Let our global team of verbatim experts complete your market research project

Comprehensive and customized full-service coding, translation and text analysis using Ascribe’s industry leading verbatim analytics platform.

- **Coding:** Categorize unstructured comments with precise results
- **Text Analytics:** Analyze large amounts of open-ended comments quickly
- **Translation:** Code in-language, or translate and code
- **Visualization:** Powerful data visualization capabilities
- **Additional:** Verbatim Quality Review, Online Adverse Events Report and many others

Delivery of customized reporting with automated downstream data integration for all tabulation packages.

“The Ascribe Services team is top notch. I don’t know what we would do without them. They deliver everything at the highest quality, and quickly!”

— Lisa Hayes
IPSOS Director of North American Operations
